CUSTOMER COLLABORATIONS

XCEL ENERGY

Our team participated in a meeting with the Manager of Supplier Diversity & ESG at Xcel Energy to explore how PRH Group could offer effective solutions to address industry concerns. This discussion has paved the way for potential collaborations focused on advancing diversity and sustainability within the energy sector.

LG&E-KU EMERGENCY PREPAREDNESS

We convened a highly productive meeting with the managers of the emergency preparedness department at LG&E-KU. The session afforded an exceptional opportunity to formally introduce the PRH Group and emphasize the significant mutual benefits of our partnership, particularly in advancing emergency response and preparedness capabilities.

TESLA COLLABORATION

PRH Group discussed opportunities for electric vehicle (EV) installation and maintenance with a Tesla representative. We are optimistic about future prospects in the green energy sector and are dedicated to contributing to the growth of electric vehicle infrastructure.

SUPPORTING STORM RESTORATION EFFORTS

In June, PRH Group played a pivotal role in the restoration efforts following severe weather events that affected Consumers Energy and DTE. Our committed team demonstrated unwavering dedication in restoring power supply across Michigan, amidst recurrent inclement weather, thereby ensuring the swift restoration of electricity and the safety of our communities.

HATS OFF TO OUR CREW AND OUR PARTNERS FOR THEIR HARD WORK

AMEREN QUALITY CONTROL WORKSHOP

Our organization's stakeholders and leadership team participated in an exclusive Quality Control Workshop hosted by Ameren. This workshop offered valuable insights and strategies to develop and improve internal quality systems to better support our customers.

EEI NATIONAL CONFERENCE IN LAS VEGAS

Our team took part in the EEI National Conference. Our team joined informative panel discussions, networked with industry peers, and attended workshops focusing on upcoming innovations in our field. This conference was instrumental in expanding our industry expertise and forming important professional relationships.

Q3 QUARTERLY PLANNING SESSION WITH MARCIA ERICKSON

At PRH Group, our focus is on fostering growth and progress. Our leadership team and Action, Coach Marcia Erickson are dedicated to strategic business planning.

Participating in quarterly strategic planning sessions has proven beneficial in gaining alignment and measuring the progress of our goals and objectives. This is key as we are striving for growth and continuous improvement to position us to better serve our customers.

SAFETY AWARENESS MONTH

In observance of Safety Awareness Month, PRH Group upholds its commitment to advocating safety within the workplace, at home, and on the road. It is imperative to recognize that safety constitutes a shared responsibility. Let us uphold vigilance and accord precedence to safety across all facets of our lives.

2024 WEEKLY SAFETY TOPICS

- **June 1-8: Safety Engagement**

This is the cornerstone of a successful safety program.

- **June 9-15: Roadway Safety**

This is crucial for organizations with employees who drive as part of their job responsibilities.

- **June 16-22: Risk Reduction**

This involves proactively identifying and addressing potential hazards to avoid injuries.

- **June 23-30: Slips, Trips and Falls**

These are among the most common workplace injuries but can be significantly reduced with proper measures.

**Thank you for joining us on our Journey through June.
Stay tuned for more updates and insights from PRH Group!**

We value communication and are committed to providing the best possible service to our customers. If you encounter gaps in our service, please don't hesitate to contact us for help. We are always available to collaborate with you on solutions to any electrical supply issues.
