PRH CREWS SUPPORT STORM RESTORATION EFFORTS FOR HURRICANE HELENE

When Hurricane Helene caused power outages for nearly 6 million customers across 10 states, PRH Group stepped in to help restore electricity in Spartanburg, South Carolina. The community's resilience was truly inspiring, and we were honored to be part of their recovery efforts.

**WE ARE PROUD OF OUR CREWS' COMMITMENT TO SAFETY, EFFICIENCY, AND EXCELLENCE
IN EVERY COMMUNITY WE SERVE.**

BUILDING CONNECTIONS: INSIGHTS FROM NETWORKING CONFERENCES AND WORKSHOPS

RECESS 24

The PRH Leadership Team attended **Recess 24: Resilience and Equity in the Clean Energy Sector Summit** in Detroit, Michigan. This three-day event included breakout sessions, dynamic panels, and networking opportunities. Our team interacted with leaders across the sector to discuss critical topics related to resilience, equity, and sustainable solutions for the clean energy future.

CONVERGENCE 2024

PRH stakeholders were extended an invitation to **Convergence 2024**, which was hosted by **Dominion Energy**. The conference provided an opportunity to meet with customers and various service providers in our industry to discuss challenges and possible solutions along with opportunities for future partnerships and collaboration.

2024 GREAT LAKES WOMEN'S CONFERENCE

PRH commemorated the 40th anniversary of the **2024 Great Lakes Women's Conference**, under the theme "Bridging the Gap, Building the Future." The conference featured workshops, coaching labs, keynotes, and engaging events such as WE Pitch, WE Match, and the popular Sip 'n Shop. It provided a valuable opportunity for female business leaders to network and develop alongside their peers.

COMMUNITY ENGAGEMENT

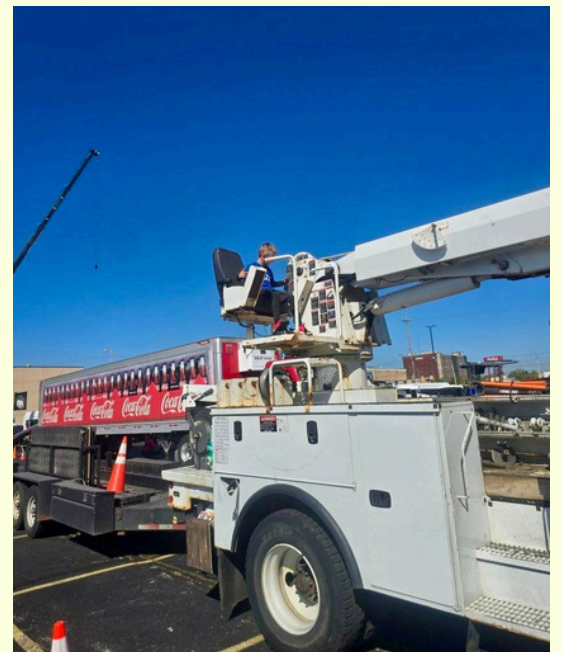

FALL 24' SAGINAW TEAM UP TO CLEAN UP

We are proud to have taken part in the **2024 Fall Clean Up the City Event**. Dedicated PRH team members united to enhance our hometown, Saginaw, MI. Thank you to everyone who dedicated their time and energy. Your commitment helps us create a positive impact in our community!

PRH GROUP JOINS THE FUN AT THE TOUCH A TRUCK EVENT!

When we're not busy restoring power in communities, we love to show off the equipment we use during our restorations. We recently took part in the **Touch a Truck Event**, where families were invited to check out different safety vehicles, sit in the driver's seat, and even honk the horn! It was an incredibly fun day, and we were excited to be part of this fantastic experience, giving families a closer look at the tools and trucks that help keep our communities powered and safe.

WE HAVE BEEN NOMINATED: BIZX 2024

We are excited to share that we have been nominated for Best Company Culture at the BizX Awards, and Josef Airgood is up for Employee of the Year! This recognition is a testament to our team's dedication and the supportive environment we've cultivated. Thank you to our Action Coach, Marcia Erickson, for her incredible guidance. BizX 2024 takes place from October 27-30 – wish us luck!

CAREERS IN ENERGY WEEK (OCTOBER 21-25)

PRH Group celebrates careers in the energy industry, engaging current and future workforces in recognizing the vital role of energy professionals. We inspire the next generation to explore opportunities in clean energy, partnering with organizations like Albat and IBEW Local 876. Events such as MiCareer Quest 2024 showcase students' enthusiasm through hands-on demonstrations.

We are committed to providing mentorship and tools for youth to succeed, highlighting the importance of a skilled workforce for the future of energy in our communities.

PRH IN THE MEDIA

Our CEO and CFO had the exciting opportunity to be featured on the Epic Entrepreneurs Podcast. The lively discussion touched a variety of topics, including PRH Group's founding story and the unique experience of running a business as both friends and partners

SHINING THE LIGHT

We were deeply moved by a handwritten thank you note from one of our youngest customers in Houston, Texas. The letter expressed gratitude to the PRH team for their hard work in restoring power to their community. Moments like these remind us of the importance of our mission and the critical role we play in keeping the lights on for their families.

INDUSTRY TALK

What are your opinions regarding the integration of AI in outdoor electrical construction? The utilization of AI has been a prominent subject of discussion within our industry. Do you believe it will fundamentally transform the landscape of electrical construction in the future? Your participation in this dialogue is welcomed and appreciated.

OCTOBER IS BREAST CANCER AWARENESS MONTH

October is Breast Cancer Awareness Month, and it's crucial to emphasize the importance of early detection. Despite being one of the most common cancers, early screening can save lives. Stay informed and make sure to encourage your loved ones to get regular check-ups. Together, we can make a difference in the fight against breast cancer.

Thank you for being a part of the PRH Group community!
Stay connected with us as we continue to build, restore, and grow.

We value communication and are committed to providing the best possible service to our customers. If you encounter gaps in our service, please don't hesitate to contact us for help. We are always available to collaborate with you on solutions to any electrical supply issues.
